Union of European Federalists – Rhône Alpes

UEF Rhône Alpes held five Comité Directeur meetings in 2004, published four newsletters in French and one in English. A further newsletter in French will be published and distributed by the end of the year. We also actively joined the Maison de L'Europe organized demonstrations and conferences and May 8.

UEF has been very active during and since the latest European elections. We keep close contacts with the MEP's elected in the South East region of France, especially with the Federalist Intergroup within the EP. We intend to develop these contacts with all MEP's, except those linked with the far right or linked to the "souverainist" movement. We will keep our pressure especially in the coming referendum campaign on the approval of the European Constitution.

Thanks to the financial support of UEF Europe we could send 15 of our members to the federalist rally organized in Strasbourg for the inauguration of the newly elected EP last July 19.

UEF Rhône-Alpes will be present at the European Movement Rally in Lyon on the European Constitution, the ARRI-AFEUR Colloquium in Paris on the "Borders of the European Union" and various other events including a meeting in Grenoble on the 15th of November. For the first half of 2005 there are several events planned, including "Recontres pour une autre mondialisations", street actions in favor of the European Constitution and the International Youth seminar with JEF- Lyon.
